WI Craft and Cookery Workshops for Everyone

Sidford WI is running a series of FREE (Big Lottery Funding) skills workshops in the Autumn. These will be a great opportunity to learn or brush up on your knitting, sewing, glass painting, card making etc

As well as helping to become more sustainable these skills will help you to save money by lengthening the life of your clothing, recycling and reusing materials and providing hand made gifts. Very chic! It is also a good way of meeting new people. The classes are suitable for all ages and not just for women!

Dates so far are Thursdays 16th September and 14th October from 2pm

until 4pm and Saturday 23rd October from 10am until 1pm and then again from 2pm until 4pm. This day is particularly suited to young people who are being encouraged to go along and cook their own lunch and other teatime treats – and eat them (of course!). More dates will be added later.

All events take place in Sidford Social Hall.

For further details and to reserve a place please phone Beryl Kingman on 01395 579725.

Please use this number also if you would like to have a particular craft demonstrated.

Community Markets

The Community Market is now back in St John Ambulance Hall, Blackmore Drive and is again proving to be very popular so make sure you have the dates in your diary, phone etc. The market is always advertised in the “What’s On” section of the Sidmouth Herald. It is a great place to come and chat over homemade refreshments which are different each month as seasonal ingredients are used wherever possible.
